1. It may invest any of its funds and accumulations in the bonds, treasury bills, notes and certificates of indebtedness of the United States or any other obligation or security fully guaranteed as to principal and interest by the full faith and credit of the United States or in the bonds of the Dominion of Canada, or of any state, county, or city of the United States, or any province or city of the Dominion of Canada; or in any bonds, or interest-bearing warrants issued by authority of law by any county, city, town, school district, or other municipality or subdivision or by any educational institution of the State of Texas which is now or hereafter may

be constituted or organized under the laws of this state; and is authorized to issue such bonds and warrants under the constitution and the laws of this state, provided legal provision has been made by a tax to meet said obligations; or in the bonds and warrants, including revenue and special obligations of any educational institution of the State of Texas; or any municipally owned water system or sewer system when special revenues, or income to meet the principal and interest payments as they accrue upon such obligation shall have been appropriated, pledged or otherwise provided by such municipality or educational institution; or in any paving certificates issued by any city in the State of Texas and secured by a first lien on real estate; or in bonds issued under and by virtue of the Federal Farm Loan Act approved July 17, 1916, when such bonds are issued against and secured by promissory notes or obligations, the payment of which is secured by mortgage, deed of trust, or other valid lien upon unencumbered real estate situated in this state; or in first mortgage bonds on real or personal property of any solvent corporation which has not defaulted in the payment of any debt within five (5) years next preceding such investment; or of any solvent corporation which has not been in existence for five (5) consecutive years next preceding such investment, provided such corporation has succeeded to the business and assets and has assumed the liabilities of another corporation, and which corporation and the corporation so succeeded have not defaulted in the payment of any debt within five (5) years next preceding such investment; or in the debentures of any such corporation with the capital stock of not less than Five Million Dollars (\$5,000,000) where no prior lien exists, or, under the provisions of the indenture providing for the issuance of such debentures, can be created against the real or personal property owned by such corporation at the time the debentures were issued; but in no event shall the amount of such investment in the bonds or debentures of any one such corporation exceed Five (5%) per cent of the admitted assets of the insurance company making the investment; or in interest-bearing notes or bonds of The University of Texas issued under and by virtue of Chapter 40, Acts of the

43rd Legislature, Second Called Session; or in insured accounts in evidences of indebtedness as defined and limited by Section 1, Chapter 618, Page 1356, Acts of 47th Legislature; in shares or share accounts as authorized in Section 1, Page 76, Acts 1939, 46th Legislature; or in insured or guaranteed obligations as authorized in Chapter 230, Page 315, Acts 1945, 49th Legislature; or in bonds issued under the provisions authorized by Section 9, Chapter 231, Page 774, Acts 1933, 43rd Legislature; or in bonds under authority of Section 1, Chapter 1, Page 427, Acts 1939, 46th Legislature; or in bonds and other indebtednesses as authorized in Section 1, Chapter 3, Page 494, Acts 1939, 46th Legislature; or in bonds as authorized by Section 5, Chapter 122, Page 219, Acts 1949, 51st Legislature; or in bonds as authorized by Section 10, Chapter 159, Page 326, Acts 1949, 51st Legislature; or in bonds as authorized by Section 19, Chapter 340, Page 655, Acts 1949, 51st Legislature; or in bonds as authorized by Section 10, Chapter 398, Page 737, Acts 1949, 51st Legislature; or in bonds as authorized by Section 18, Chapter 465, Page 855, Acts 1949, 51st Legislature; or in shares or share accounts as authorized in Chapter 534, Page 966, Acts 1949, 51st Legislature; or in bonds as authorized by Section 24, Chapter 110, Page 193, Acts 1949, 51st Legislature, together with such other investments as are now or may hereafter be specifically authorized by law.

Any company legally authorized to transact business in a foreign country may invest in the same kinds of securities of said country as hereinbefore authorized in the United States of America for an aggregate amount not exceeding the reserve on the business in force in said country.

Sec. 2. The fact that under the present laws investments are restricted to bonds of the United States alone, and that authorized investments are more restrictive than those permitted foreign life insurance companies causes a discrimination against Texas life insurance companies and in favor of foreign life insurance companies as to the detriment of such domestic companies creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended and said rule is

hereby suspended and this act shall take effect and be in force from and after its passage, and it is so enacted.

The Committee Amendment was adopted.

On motion of Senator Bradshaw and by unanimous consent the caption was amended to conform to the body of the bill as amended.

The bill as amended was passed to third reading.
